# THE HEAD START ADVANTAGE

For kids, for families—  
for communities

HEAD START is the national school readiness program of life-changing education, health, nutrition, and parent involvement services for poverty-level children and their families. Local grantees and delegates from each state receive federal funding for Head Start and Early Head Start (EHS) programs, the latter serving infants and toddlers from birth through three years as well as expectant mothers. At the same time, the Head Start advantage uplifts entire communities both economically and socially. **Head Start benefits everyone.**

## Arizona Head Start Association

Led by a Director and volunteer Executive Committee, the Arizona Head Start Association (AHSA) serves and empowers the statewide coalition of organizations that provide Head Start and EHS programs. AHSA supports statewide efforts for positive change by driving cooperative and collaborative efficiencies on governmental and community levels. As the unifying force that amplifies the voice of Arizona's Head Start community, AHSA carries out its mission of advocacy, collaboration, and education through a dedicated volunteer Board of Directors and four active committees:

- Early Childhood Development
- Disabilities and Mental Health
- Integrated Health and Safety
- Parent, Family and Community Engagement

In addition to membership dues, funding for AHSA studies, projects and training is provided by the Arizona Head Start State Collaboration Office through a grant from the Administration for Children and Families under the U.S. Department of Health & Human Services.
