

PARENT *Advocacy Group*

CURRENT OR FORMER HEAD START PARENT?

Representation

Parents across the state will work in cohorts to learn more about advocacy in Early Childhood. Parents commit to a full year (Jan-Dec) and meet at least once a month virtual or in person to obtain advocacy training by different state leaders who collaborate with AZHSA to make it happen. This opportunity is free of cost.

Advocacy

Parents will learn about state and national advocacy and lifelong skills. They will learn how to identify issues to be an advocate, learn how to identify and how to contact their representatives.

Leadership

Parents will learn the power of their story and how to use their voice to bring Head Start awareness to their representatives and community.
