About UAGC

Our Institution

The University of Arizona Global Campus has grown and transformed from a small, traditional college into a national online institution committed to supporting adult learners in realizing their personal and professional goals.

Our Mission

To provide high-quality, accessible, affordable, innovative, educational programs that meet the diverse needs of individuals pursuing advancement in their lives, professions, and communities.

Our Faculty

Members of our faculty all hold Master's level of education or higher. Additionally, they have been working in their respective fields and many serve as board members to other organizations.
